

Provincial Tri-Keji Adventure Camp August 23-27, 2018

Do you enjoy adventure camping? Do you want to help others experience an adventure of their own? ... then NS's Tri-Keji Adventure Camp Planning Team might just be for you!

NS will be hosting this event in one of NS's spectacular National Parks for members looking for an introduction to camping in a National park in a front country setting with day trips into the back country or for those ready to enhance their Adventure camp skills in the back country of one of Canada's National treasures for a few nights via canoe, bike or hiking. It will be a four night camp based out of the group campground in Jeremy's Bay, Kejimikujik.

This camp will be open to all registered Pathfinders, Rangers, Transitional and Link Members and Guiders registered in NS.

In order to host this amazing experience we need a Planning Team - are you interested?

The Planning Team will consist of: Responsible Guider, Quartermaster, First Aiders, Program Leaders and Float Guiders.

More information on what each role encompasses, please check out the Camping section of [Committee Responsibilities](#).

If you would like to be a part of the Planning team for this amazing adventure then complete the Volunteer Form: Event/ Activity, located at the bottom of the [Forms page](#), indicating your top three choices, and send to GGCNS@girlguides.ns.ca

Thanks and let the adventures begin!
